Web Evaluation

Name_____________________
Class and Professor__________________

Since anyone can publish anything on the Web, it is important to develop your ability to examine a website critically to determine whether the information presented there is accurate and authoritative.

Select a website.

What is the url of your website?

Url___________________________________________________________

The purpose of your site is to:

Educate_____  
Sell___  
Inform___  
Other_____  

What criteria did you use to evaluate your website? Please describe why you used the criteria you did? Would you use this website? Why or why not?
